

HELLO Everyone! It has been lovely talking to you this week. I can't believe it is June already!

Next week we are going to try a video call for our class, I will phone everyone on Monday with the details!!!!

Here are some activities for you to have a go at.

**DON'T FORGET**, MR LICENSE has set individual work for you on Conquer Maths. He is having a look at what you have done, and will set more work when you finish it. If you can't get onto Conquer Maths there are alternatives for you below, or have a go at the work I have posted to you.

MRS LAY would like you to look at 100 High Frequency Words list which is on our school website and the Oxford Owls website. Have a look at some of these words and if you recognise them, keep practising reading them. There are some books to look at too.

**SOME OF YOU will have had work sent out to you, if you have, please continue with that.**

This week we are thinking about **TRANSPORT**.

Each day we will think of a different mode of transport and you can do some work that will use your Maths, English, Science and Art skills.

**Do what you can. This work is for everyone, but everyone works at different levels, so you can make it easier or harder to suit what you can do! Some people can write a whole paragraph, some can just say a word and ask someone to write it, whatever you can do is great!**

|                    |  |
|--------------------|--|
| MONDAY 1st<br>June | CARS    |
| Maths              | Can you COUNT how many cars are on your drive or street?<br>Can you make bar chart of different coloured cars?                     |
| English            | Describe the car you like the best, using your voice, talker or writing.<br>Maybe you could even describe your perfect car!        |
| Science            | Can you find out what a car needs to make it work?<br>Find out about how a car works. What are the different parts of the car for? |
| Art                | Design and draw your favourite car.<br>What colour would it be?<br>What do the wheels look like?                                   |
| Independence       | Do you know how old you have to be to drive a car? See if you can find out.  |

|                     |   |
|---------------------|---|
| TUESDAY 2nd<br>June | TRAINS   |
| Maths               | Go on this website <a href="https://www.topmarks.co.uk/maths-games/mental-maths-train">https://www.topmarks.co.uk/maths-games/mental-maths-train</a><br>And have a go at the maths activities. You can choose simple or harder ones.  |
| English             | Using your voice, talker or writing, can you say a sentence, paragraph or even more all about a train journey? If you could go on a train where would you go? What would happen on the journey? Maybe you could even make up a story! |
| Science             | Can you find out about steam trains in the past? Maybe find some pictures. They used WATER to power them. What do trains use now to make them work?   |
| Art                 | Can you draw a train? Find a picture and see if you can copy it.  |
| Independence        | Do you know where your nearest train station is? See if you can find out.   |

|                              |  |
|------------------------------|--|
| WEDNESDAY<br>3rd June        | AEROPLANES    |
| Science,<br>Maths and<br>Art | Can you make and decorate a paper aeroplane and see how far it can fly? Can you measure the distance it flies? Maybe you could have a competition with someone in your family to see who can fly their plane the furthest? What do you think makes the best paper aeroplane – is it wide, narrow, big wings, small...? Have a look at <a href="http://www.persil.com/uk/dirt-is-good/arts-crafts/make-paper-aeroplane.html">www.persil.com/uk/dirt-is-good/arts-crafts/make-paper-aeroplane.html</a> |
| English                      | Using your voice, talker or writing, can you say a sentence, paragraph or even more all about an aeroplane journey? If you could go on a train where would you go? What would happen on the journey? Maybe you could even make up a story!   |
| Independence                 | Can you find out the names of some airports in Yorkshire?  |

|                                  |   |
|----------------------------------|---|
| THURSDAY<br>4 <sup>TH</sup> JUNE | <p>Ethel Barge!</p> <p>Have a look at the website...<a href="http://www.etheltrustcommunitybarge.co.uk/">http://www.etheltrustcommunitybarge.co.uk/</a></p>          |
| Science                          | Can you find out how fast Ethel travels and what she travels along? What about if she comes to a bridge?  |
| Maths and Art                    | What shape would you describe Ethel as? Can you draw the beautiful Ethel Barge? Find some pictures on the website that other people have done. You could even make a model of Ethel using a rectangular box. I can see she has a circular window too. |
| English                          | Using your voice, talker or writing, can you say a sentence, paragraph or even more all about a journey on Ethel? You might have already been on Ethel on a school trip? What do you think you might see if you went on the barge?                    |
| Independence                     | Can you find out what jobs people have on Ethel Barge?  |

|                                |   |
|--------------------------------|---|
| FRIDAY 5 <sup>TH</sup><br>JUNE | <p>BOATS</p>    |
| Science                        | Make a collage picture by cutting and sticking or draw and label a picture of all the different types of boats you can find – rowing boat? Yacht? Cruise ship?  |
| Maths and Art                  | <p>Using paper, try to make a paper boat. This website might show you how. <a href="https://www.persil.com/uk/dirt-is-good/arts-crafts/how-to-make-a-paper-boat-step-by-step.html">https://www.persil.com/uk/dirt-is-good/arts-crafts/how-to-make-a-paper-boat-step-by-step.html</a> paper.</p> <p>Can you see all the different shapes in the boat? Can you see a circle, triangle, square, rectangle?</p> |
| English                        | Using your voice, talker or writing, can you say a sentence, paragraph or even more all about a journey on a boat? You might have already been on a boat, either a rowing boat or even a ferry? You could describe how the boat moves about in the water, imagine it got really stormy! How would you feel?   |
| Independence                   | Can you find out about lifeboat crews? What do they do? How do they keep people safe?   |
