Newman School partial rebuild 2021

Dear Parent/Carer,

We have some very exciting news! Funding has been secured to rebuild the secondary department at Newman Main school site. This is excellent and we are all very excited about the prospect of having new facilities.

We will be using two buildings (C&D) on the old Dinnington College site whilst the new secondary department is being built.

I am sure you will have lots of questions about the temporary move to Dinnington such as-

When will this happen?	Approximately September 2021
Will transport take my child straight to Dinnington?	Yes
Will my child be with the same Newman staff?	Yes
Will there be other students there from mainstream or SEMH provision	No

Before Christmas we will have a virtual parent/carers meeting for you to ask questions and discuss any worries which we will link up with Rotherham Parents and Carers Forum who are involved with this. This is such a positive event and as teachers and TA's we will support all our young people during this period of change.

I will send further information about the parent/carers meeting.

Kind regards

Louise Anderson

Secondary & 6th form Manager

Assistant Head
